

SWANA'S 2012 PROFESSIONAL ACHIEVEMENT AWARDS PROGRAM

Who do you know that deserves to be recognized?

We all know someone who works hard, never complains and always gets the job done. Or someone who has been a real pioneer, always moving the company and the industry forward. Over the last few years, during tough economic times, there are individuals who have dealt with layoffs, increased job responsibilities, cuts to benefits and a multitude of other obstacles, yet continued to be a positive force in the industry.

Now's the time to show your appreciation!

SWANA's Professional Achievement Awards Program gives you an opportunity to show your support and appreciation for an employee or colleague who has significantly contributed to the field of solid waste management. Awards are given in four categories:

- » *Professional Achievement Award*
- » *Robert L. Lawrence Distinguished Service Award*
- » *Life Member Award*
- » *Honorary Membership Award*

Read more about the award categories and submit your nomination form online by visiting www.swana.org/membership and clicking on Awards in the sidebar, or contact Kathy Callaghan at 240-494-2248.

All nominations must be submitted no later than March 1, 2012.

Awards will be presented at WASTECON® 2012, held August 14-16, 2012 in Washington, DC.
