SWANA Road-E-O Participant

SUBJECT: SWANA ROAD-E-O EVENT MAY 30, 2009 AT THE STANISLAUS
COUNTY FAIRGROUNDS

Dear Participant, vendor or volunteer,

The 2009 Road-E-O event is getting closer! Attached you will find the necessary paper work to register. Please note there is no cost for the participants in the event. We are still looking for vendor support and a few more volunteers, (haulers please solicit some of your vendors). Please contact me, at (209) 351-0693, if you can assist the day of the event.

It appears we will have an excellent turnout for the event. Several haulers have committed their drivers and mechanics already. Please note each hauler should send their vehicles to the event. One vehicle per category should be fine.

Ask your driver to bring their kids to the event as we will have entertainment and food for them. Who knows where the next driver will be coming from, maybe mom or dad will get them excited!

Looking forward to a great day! See you then.

Sincerely,

DESI RENO
2009 SWANA Road-E-O
Chairman
